Land Surveying Construction Layout

History

Founded as Michael Benza & Associates Inc. in 1972, the firm has grown annually and made significant contributions to the civil engineering field. These accomplishments have been through numerous clients in both the public and private sectors in the State of Ohio.

Michael Benza & Associates Inc. purchased the surveying firm Wheeler & Melena in 1992. This acquisition provided the surveying capabilities Michael Benza & Associates Inc. desired to satisfy the needs of our various clients.
